

Powerful detergent for stone

IMPALAS

Features

- **IMPALAS** is professional strength, acidic formulated detergent to removal of efflorescence and scale from hot springs.
- Remove of water scale and dirt on stone surface.

Applications

- Tile, granite, ceramic tile, masonry & concrete.

Directions

Removal of dirt and water scale

1. Mask off and protect any metals, baseboards or adjacent areas to avoid splashing, dripping, and avoid apply onto surfaces not intended to be cleaned.
2. Get the surface wet with water.
3. Apply **IMPALAS** with brush, roller and etc. Use **IMPALAS** undiluted solution to dilute 5(five) times with water.
4. Allow **IMPALAS** to penetrate surface for 3-5minutes then agitate with a scrub brush.

DO NOT LEAVE IMPALAS ON THE SURFACE LONG TIME. WILL ETCH OR CORRODE SURFACE.

5. Rinse area well with clean water and wipe dry. Thoroughly rinse all metal surfaces with clean water.

Removal of efflorescence

1. Sharpen the lump of efflorescence which accumulated with L hammer beforehand.
2. Get the surface and joints wet with water.
3. Apply **IMPALAS** with brush, roller and etc. Use **IMPALAS** undiluted solution to dilute 3(three) times with water.
4. Neutralizing reaction happens with application, and efflorescence melts and falls. Repeat this process until efflorescence has gone.
5. Rinse area well with clean water and wipe dry. Thoroughly rinse all metal surfaces with clean water.

DO NOT LEAVE IMPALAS ON THE SURFACE LONG TIME. WILL ETCH OR CORRODE SURFACE.

* Use SOFTER to neutralize if it necessary.

Coverage : 5-10 m²/ℓ

Caution

1. Read MSDS carefully and ensure that the area is well-ventilated during application.
2. Make sure **IMPALAS** is suitable for your specific purpose conditions and applications before use. Always test in a small inconspicuous area to determine ease of use and desired results.
3. Clean and rinse towel/brush with water.
4. Do not apply **IMPALAS** to marble, polished surface, limestone, raster tile, pearl tile etc. Will etch or corrode most these surfaces.
5. Will etch or corrode most metal surfaces and glass. When it stuck the surface of these materials, rinse well with clean water immediately.
6. Don't mix anything other than water.
7. When **IMPALAS** stuck your skin, rinse well with clean water immediately.
8. When **IMPALAS** was in eyes and the mouth accidentally, rinse well with clean water immediately. Please talk with a doctor if anxious.
9. Store **IMPALAS** in a sealed container, in a cool place(30°C or below), keep out of the reach of children.
10. Be careful not to spill **IMPALAS** when pounding from storage container.
11. Avoid touching the skin as much as possible when using **IMPALAS**. Wear the eye shield, the protective glove, and the apron, etc. when you work.
12. Please use **IMPALAS** as early as possible after opening a letter.
13. Wash your hand and gargle enough after it uses it.
14. Do not use **IMPALAS** for any other purposes.

Properties

Appearance: Light Blue Liquid

Available Sizes: 4 Liter & 18 Liter

Storage conditions: Use within one year from when sealed off and stored below 30°C

* **IMPALAS** does not use raw materials containing formaldehyde at all.

* For improvement of a product, there is a case to change contents without a notice.
